<input type="checkbox"/> 2	Post-it Notes ($2\frac{1}{2}$ x $2\frac{1}{4}$, light color)

We ask that students **come everyday with a prepared pencil box or pouch**. It is recommended to have extra supplies **(to last the whole year)** for your child at home. Pencils, crayons, and erasers wear out and will need to be replenished during the school year.

Items recommended to be in pencil box or pouch EVERYDAY:

- Pencil box or pouch (5"x8")
- Pencils, No. 2 (No mechanical/lead pencils. Dixon or Ticonderoga are recommended, sharpen - get plenty to last the year)
- Erasers (white Pentel or Staedtler are recommended)
- Crayons (small box)
- 2 highlighters (yellow and another color)
- Pens (blue and red)
- Dry Erase marker (Expo-any color, fine point)
- Earbuds or headphones (for in-class computer use)
- Glue stick
- Scissors
- Colored pencils (pack of 12 or less)

A school recommended planner/agenda will be sold at Repetto at the beginning of the school year (\$8). Additional supplies may be recommended by each individual teacher at the start and throughout the school year for class activities. More information will be sent home. Please ask if you have any questions.
Thank you for your support in your child's learning.

Recommended supplies to have at home to assist in homework, activities, and projects.
